

AKSHAT SANGHVI

Ahmedabad, Gujarat | Email: akshatsanghvi077@gmail.com | Ph: 9479725477 | LinkedIn: [Profile Link](#) | Personal Website: [Website Link](#)

I am a highly motivated final-year B. Com (Honors) student with a **major in accounting, a minor in Data Science**, and a passion for finance, AI, and startups. Possesses a unique skill set combining core accounting, fraud analysis, and data analytics, evidenced by hands-on internship experience and targeted certifications. Proven expertise in financial research and valuation through self-directed IPO analysis projects. Seeking to apply analytical and problem-solving abilities to a challenging role at a leading professional services firm

TECHNICAL SKILLS

- **Accounting Software:** Tally PRIME
- **Productivity Suites:** Microsoft Office Suite (Advanced Excel)
- **Data Analysis & Visualization:** Python, Tableau, Power BI, KNIME

WORK EXPERIENCE

Yash Jain & Company

8 May 2025 – 5 July 2025, Jaora, Madhya Pradesh

Junior Accountant Intern

Tools & Technologies: Tally ERP, Advanced Excel, GST Portal

- Managed end-to-end accounting functions for a diverse portfolio of 15+ SME clients, ensuring accuracy and compliance across retail, wholesale, and manufacturing sectors.
- Executed high-volume bank reconciliations, processing over 250+ transactions monthly for key accounts to identify and rectify discrepancies, thereby ensuring financial data integrity.
- Assisted senior accountants in client-facing meetings to resolve suspense account entries, contributing to a 15% faster clarification cycle for ambiguous financial data.
- Utilized GSTR-3B reports within Tally to cross-verify and validate transaction entries, significantly improving the accuracy of data used for regulatory compliance and tax filings.

EDUCATION

Bachelor of Commerce (Honors)

August 2022 – June 2026, Ahmedabad, Gujarat

Institute of Commerce, **Nirma University** – 7.2 CGPA

COURSES & CERTIFICATIONS

- Data Analytics Virtual Job Simulation (**Deloitte**)
